

POSTCARD MAR 2024

Charlie & Tania Deering
 Serving with GLO in Motherwell, Scotland.
"Growing Mission Focused Churches in Europe"

We all enjoyed Christmas together as a family which of course allowed us to update the family photo. Mind you, we still haven't quite worked out the art of having all of the grandkids looking at the camera at the same time:)

This year for our Mini Bible School (23&25 Jan) we welcomed Andy Bannister from Solas to lead sessions on "Sharing our Faith in a Culture of Confusion". We were encouraged by the number of people who were able to attend from a variety of church backgrounds.

We had a farewell dinner for our students who left on their two month placement on 1st March. Destinations range from Shetland in the north, Albania in the east, Portugal in the south and of course the UK and Ireland. Pray that what they learn and experience would be useful for them as they decide their next steps after they graduate in June.

And finally...

We would like to thank everyone for their kinds words and prayers after the death of Tania's father, Tommy Mahon, on 5th Jan. As a result we were in N.Ireland from 7th to 12th Jan and we can truly say that we experienced the comfort of the Lord during this time. So thank you once again.

Until next time
