

David and Pam Wilson Prayer Requests

1. Pray for on-going effectiveness of our new book *The Electrician's Children* as it is already motivating missionaries and sparking unbelievers' curiosity about the gospel.
2. We need strength and wisdom to follow our current calling of inspiring and training a new generation of modern evangelists. Agapé's 50th anniversary this year is one vehicle for this work.
3. We praise God that my X ray last week was clear, after a bad case of pneumonia – now we can pray for the building up of my physical strength.
